What's new:

- **New camera controls allow for more dynamic movement, with more control over in-play shots and controls.**
- **FIFA 22 is the first title to include player motion capture from 22 real-world footballers, including Neymar, Xherdan Shaqiri, Jorginho, Gerard Pique, Eden Hazard, Carlos Tevez, Vincent Kompany, Carlos Slim, Cesc Fabregas, Lionel Messi, Gianluigi Buffon, Mateo Kovacic, Gianluigi Donnarumma, Leighton Baines, David Alaba, Lukas Klostermann and Gonzalo Higuain, and is powered by FIFA's new HyperMotion Technology.**

FIFA 22 introduces “HyperMotion Technology,” which uses motion capture data collected from 22 real-life players playing a complete, high-intensity football match in motion capture suits. The data collected from player movements, tackles, aerial duels and on-ball actions is used to power FIFA 22 gameplay.

-
- **Career Mode - Live out your dreams as both a manager and a player in FIFA 22. Create the newest club in FIFA, design your kits, style your stadium, and choose whether to compete with the elite or rise up from the lower divisions as you manage your club to glory. Or test your skills as a player, with a more immersive Player Career mode that gives you more ways to progress, achieve, and immerse yourself in your Pro's journey through the game.**
